## ORGANIC RODENT CONTROL PROGRAM

WITH

Monthly ORGANIC treatments are your SAFEST, MOST-EFFECTIVE plan for long-term rodent control.

- ✓ **UNIVERSITY-TESTED.**  
The only product of its kind with a one-year university study proving effectiveness of 94.1%.
- ✓ **NOW IS THE TIME TO ACT!**  
As the weather begins to cool, mice and rats move indoors to stay warm, feed and breed.

- ✓ **NO TRAPS, NO POISONS.**  
Poisons and traps draw them in Nature's Defense safely and organically drives them away.
- ✓ **NO FOUL ODORS.**  
Our multi-patented organic formulas are safe, non-toxic and have a natural aroma.

**BEYOND DAMAGING PROPERTY, MICE AND RATS ALSO SPREAD DISEASES, POSING A POTENTIAL HEALTH RISK.**

*"Spriggs Brothers have been nothing but professional and courteous each and every time they come out. I had a terrible rodent problem and after just one treatment it has work wonders, the rodents are gone. Plus this is safe for all pets and humans. The lawn care has been awesome also. I highly recommend Spriggs Brothers to all my friends and family."*
