

# Bug Bites®

T I P S F O R A P E S T - F R E E H O M E

## How to keep ants away

### INSIDE

- Clean spilled food/beverages.
- Take trash out often.
- Rinse jars/containers before throwing away.
- Pick up/store pet food nightly.

### OUTSIDE

- Seal doors/windows.
- Keep gutters clean to prevent moisture.
- Trim trees/shrubs touching your house.

## *They're back!*

### *Don't let ants take over your home!*

**Trust your pest control** to your nationwide experts – HomeTeam Pest Defense. We're available anytime. Call us toll-free at 1-877-574-7500 or visit us online at [www.pestdefense.com](http://www.pestdefense.com).

**Did you know?**

Ants use their antennae for their sense of touch and smell.

# *Keeping your home **bug-free** is our pledge to you!*

We begin with our 6-Point Advantage Service performed by a trained HomeTeam professional. We are so confident in the service we provide that it is 100% guaranteed. If you have a pest issue in between regularly scheduled visits, call us and we'll retreat your home free of charge.

## ***Our 6-Point Advantage Service***

- 1.** Inspect your home's exterior to identify potential pest problems.
- 2.** Remove cobwebs and wasps nests within reach.
- 3.** Inject the Taexx<sup>®</sup> built-in pest control system (if installed in your home) or provide conventional pest control applications.
- 4.** Treat entry points such as doors and windows.
- 5.** Apply pest control materials around home perimeter.
- 6.** Provide a detailed service report and preventive tips to keep your home pest-free between scheduled treatments.

## **Thank you for your business!**

**Call us toll-free anytime at 877-574-7500 or visit us online at [www.pestdefense.com](http://www.pestdefense.com) if you have questions about your pest management program. We'll be happy to help!**
